

Lakemont Leopards

Birthday Book Club

Leopard families, this is your chance to give a birthday gift to your child that keeps on giving each year!

Contribute to the Lakemont Leopard Birthday Book Club (\$10.00) so a book can be dedicated to your child and added to the bookshelves in the Lakemont Media Center. Mrs. Vaughan will choose from dozens of new, quality titles available in our library and provide your Leopard with their very own dedication, leaving your child's legacy at Lakemont. In addition, the WLOS news show features new book club members and your child will be the first student to check out "their" book and receive a special prize.

If your child has a summer birthday - we'll make sure they're celebrated in May. Don't miss this fantastic opportunity to foster a love for reading and create lasting memories while supporting our media center.

Student's Name: _____

Student's Birthday: _____

Student's Teacher: _____ Student's Grade: _____

Please return this form and donation
(cash or check) to Lakemont PTO.
Thank you for your support!
